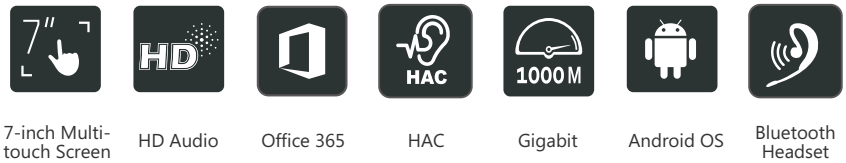
T58A-Teams Edition
Yealink Teams HD IP Phone

Smart Business Phone Compatible with Microsoft® Teams

The T58A Android-based phone is designed for C-level and executive rooms, offering great flexibility. The T58A not only features a 7-inch adjustable multi-point touch screen, but also owns a Teams-tailored user interface and a faster response speed, all of these make collaboration easier than ever. Presenting a standalone voice solution and an unparalleled audio clarity, the T58A is armed with Yealink's Optima HD Voice technology. The T58A provides the added flexibility for executives and professionals with its Bluetooth connectivity and the ability of USB headset connection.



7-inch Multi-touch Screen | HD Audio | Office 365 | HAC | Gigabit | Android OS | Bluetooth Headset

Key Features and Benefits

Easier to be heard and involved in the call

The T58A combines the professional hardware and software technology to deliver crystal clear voice communications. Thanks to Yealink Optima HD voice, and the hardwares of full-duplex hands-free speakerphone with AEC and HAC handset, T58A allows the user to concentrate on the content of a call.

Rich Functionality

The 7-inch adjustable multi-point screen and the Teams-tailored user interface provide a rich visual presentation and easy menu navigation. The T58A is fully compatible with Office 365, making for a rich and talented ecosystem for your team. The T58A boasts unparalleled functionality and expansibility with built-in Bluetooth and USB headset features.

Efficient Provisioning and Management

The Yealink T58A is coupled with Yealink efficient auto-provisioning mechanism, including phone deployment and configuration. Administrators can take advantage of centralized deployment, management and updating. Moreover, T58A supports several device management platforms, including Microsoft/Yealink/Unify Square Device Management Platform.

- 7 inch (1024 x 600) capacitive adjustable touch screen
